CIVIL ACTION
NO. 04-11242-REK

Procedural Order
August 30, 2005

In a Procedural Order issued on June 7, 2005, I ordered the plaintiff to “take necessary and appropriate action on the default in accordance with my Standing Order of January 13, 2005, within 30 days from the issuance of this Order, that is, until July 7, 2005.” The plaintiff has not taken action to comply with this Order. Therefore, I order the plaintiff to show good cause why this case should not be dismissed for want of prosecution. If no such response is filed by September 30, 2005, I will dismiss this case for want of prosecution.
